SRI CHINMOY ONENESS-HOME PEACE RUN

Sri Chinmoy, founder

A universal
peace
Has always been
Humanity's
Most ancient need.

— *Sri Chinmoy*

Global torch relay for peace

SRI CHINMOY ONENESS-HOME PEACE RUN

was founded in 1987 by peace visionary Sri Chinmoy. His simple message is that world peace begins within the heart of each of us, and that we all have an important and unique role to play in making our world a true oneness-home.

By passing the torch from hand to hand, from community to community and from nation to nation, this global relay has traversed more than 160 nations, covering over 600,000km (370,000 miles) and touching the lives of millions of people.

Sri Chinmoy dedicated his life to inspiring individuals from all walks of life to bring forward their own expressions of peace from within and share them with the world.

“Everything I am doing is aimed at one goal – the establishment of a oneness-family founded upon peace. If I have peace and you have peace and everybody has peace, then only can we have a oneness-family.” ~ Sri Chinmoy

While running from one country to another ... we are inviting
the whole world to feel the supreme importance of oneness.

Sri Chinmoy, April 1987, interview, Flushing Meadows Corona Park, Queens, New York

Not only to see and feel peace,
But to distribute peace all over the globe.

has covered over**

600,000 km

which equals

370,000 miles.

**That is like running
to the Moon & beyond!**

The Peace Torch has been to over

**160 countries
on all 7 continents!**

- 
- A world map with a blue background. Countries are color-coded: dark orange for regular local events, light orange for occasional participation, and yellow for future hopes. Dark orange covers North America, South America, and parts of Europe and Africa. Light orange covers most of Europe, Africa, and Asia. Yellow covers Australia and parts of South America and Africa. In the bottom right, silhouettes of five runners (three adults and two children) are shown running on a path that leads towards the map. The path is marked with a yellow line that matches the 'future hopes' category on the map.
-  Countries with regular local events
 -  Countries participating occasionally
 -  Countries we hope to visit in the near future

Over 7,000,000 people
have held the torch.

25,000 schools
